

PTA Meeting April 14, 2015

Attendance list: on the sign in sheet

Mrs. Heidi Miller, Assistant Superintendent, discussed process for selecting a Principal. Looking for specific personality for the school. Interviewed the staff and will also solicit this input from parents tonight to create a desired profile. Characteristics are based on:

What is the vision

Can work well with the stakeholders

Instructional leadership skills

Personal behavior / acts with integrity

Communication skills

Other qualities

Ms. Miller takes this information to the Superintendent, 2-3 candidates are selected, and they go before an interview panel on April 22nd. Will meet 30 min per candidate and each candidate gets the same questions. The questions are specifically designed for this school. (Internal candidates are vetted by a longer process in advance of being recommended, and the position is not available to just any applicant. The pre-screening involves a 3 hour interview and more. )

Candidate is recommended following this process. They then interview with the Superintendent and then Dr. Dance has the ultimate say.

Slides to describe the process will be available online on the PTA Website.

Open discussion followed and Questionnaire was passed out for parents to contribute input.

Committee Reports - provided handout that covered these updates.

April 22nd need office volunteers for Administration Appreciation Day

Report from nominating committee - need delegate position filled. Kate Jensen was nominated.
